

TECHNICAL DATA SHEET

Product:	Vetiver Essential Oil
Company Code:	10184
Botanical Name:	<i>Vetiveria zizanioides</i> L.
Other names:	N/A
Type:	Essential Oil
Part Used:	Roots
Extraction Method:	Steam Distilled
Packing:	Aluminum and metal containers
CAS #:	8016-96-4
EINICS #:	282-490-8
FEMA #:	3301
Flash Point:	> 100° C
Solubility:	Insoluble in water, soluble in alcohol and oils.
Certification:	100% Organic Certified

Specifications:

Appearance:	Viscous liquid
Color:	Dark reddish brown
Odor:	Woody amber with balsamic and humid notes.
Refractive Index:	1.5279
Optical Rotation:	+ 43
Specific Gravity:	1.02
